

Visit the new **Omaperhe** online service!

Omaperhe is a nationwide service for families, where you can find the services of the Western Uusimaa Wellbeing Services County. It supports the national Family Centre service package.

 DigiFinland

 **Omaperhe**

Omaperhe offers a collection of reliable information and services for your family in one place

Omaperhe helps you find the right services for your family's life circumstances, whether it is about pregnancy or childbirth, children's age stages, parenthood or, for example, a relationship. In Omaperhe, you will easily find information about the services of the Western Uusimaa Wellbeing Services County for your family.

Omaperhe is a nationwide service provided by the wellbeing services counties and the City of Helsinki. Introducing the Omaperhe service is part of the Sustainable Growth Programme for Finland (RRP).
